Working as an Historian

Change and Continuity – Local History

Compare these two photos of Dublin. Photo A was taken in the early 1900s. Photo B was taken in 2016. In groups, discuss the differences in the two pictures and make a list of these changes.

Try to find a minimum of 5 differences.

Why have these changes happened over time? Record your answers on the sheet attached. Remember to pick one person to be the writer and a different person can report the findings to the class.
